

SUPERIOR CUT DRYWALL

Superior Cut Drywall is our sawn top and bottom wall stone with snapped ends for an easy installation. The stock height options are 3" and 6" in thickness with a 1/4" tolerance. Both are available in an 8" depth, but the 3" thickness is also available in a 12" depth to be used as an overhanging Cap. Colors range from Buff to Gray tones with the occasional maroon veining that will complement any of your surrounding greenscapes.

Varying rows of 3" and 6" Heights with a 3" Cap
