Valders Rustic Pavers are a stylish alternative to our traditional paving products. Some edges are snapped instead of sawed to size. This process cuts down on cost, making Rustic Pavers more affordable but no less beautiful than our other paving products. The Sandblasted finish adds the final touch to this beautiful product. The Rustic Pavers are available in our Bluff Blend or Gray Blend of colors.

The traditional pattern comes in a pre-blended 100 square foot pallet with five sizes including 6"x6", 6"x12", 12"x12", 12"x18" and 18"x18" with a 1/4" tolerance; pattern found on reverse side of the page.

New patterns include 100 square foot pallets of individual sizes, you can choose from 6"x6", 6"x12" and 12"x12" which can be laid in a single piece pattern like cobbles or the traditional herringbone pattern. If you'd like additional patterns, they can be found on the reverse side of the page.
